

IAEA Organizes Two Major Programmes at Its Headquarters

IAEA organized two important programmes at its headquarters today – a Post-Retirement Welcome Ceremony in honour of Prof. Rajesh, Director In-Charge, IAEA, and the inauguration of the IAEA Computer Training Centre.

More than 70 participants attended the events, including representatives from UGC, the Government of Delhi, University of Delhi, Jamia Millia Islamia, JNU, IGNOU, NCERT, and several colleges.

During the welcome ceremony, Prof. Rajesh and his wife, Smt. Asha Kumari, were felicitated by IAEA office-bearers and distinguished guests. Speakers appreciated Prof. Rajesh's contributions to education and shared memorable experiences from his academic journey. In his address, Prof. Rajesh spoke about the vision and future initiatives of the Association.

The vote of thanks was delivered by Shri Suresh Khandelwal, General Secretary, IAEA.

Later, the IAEA Computer Training Centre was inaugurated by Prof. L. Raja, President, IAEA, in the presence of other dignitaries. The Centre aims to promote digital learning and skill development.

Both programmes were successfully conducted and received an enthusiastic response from the participants.
